

# Dependant ID Renewal Form

The dependent IDs are only valid for two (2) years due to circumstances changing. Although once eligible for a pass, two years later one may no longer qualify. Passes to dependent children are issued to those children sixteen (16) or older who are **residing at home or attending school and declared on your income tax.**

Please drop off the current card to the attendant at the indoor facility with this signed form. The card will be validated for two (2) more years and may be picked up at the indoor facility.

Expired cards will not be honored when the outdoor pool opens for the summer.
