

The Salt Pond Golf Club

Announces Special Discounts For Salt Pond Homeowners

The Salt Pond Golf Club introduces discounts just for Salt Pond Owners.

First, there are now discounted green and cart fees just for Salt Pond owners AND their guests.

Golf Club members already get a discount for themselves and guests.

Now, Salt Pond owners who are not members will receive a discount on green fees. Have guests visiting? They too will receive a discount when accompanied by homeowner.

	Greens Fees With cart	Homeowners	Guest Rates
18 Holes Total	\$46	\$38	\$41
9 Holes Total	\$32	\$29	\$32

Come, bring your guests and enjoy your golf course.

Second, there is a 5% discount on selected Golf Club merchandise. 📄

There are many items such as Salt Pond logo shirts, hats and jackets at a 5% discount. These items make excellent gifts for friends and family. Come visit the Pro Shop. Currently many items are on sale.

Become a Golf Club member

Become a golf course member and receive full member discounts and benefits. Ask what these benefits are at the Pro Shop. Full membership too much? Inquire about other plans. If you do not want to become a member, refer someone who might. If a Salt Pond owner recommends a new person or family for membership, you will receive a \$100 gift certificate for merchandise in the Pro Shop if they join.
